47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I concerned your actions don't foster beneficial competition, favors large political donors, and doesn't help small internet providers in delivering superior choices to consumers for their broadband service and competitive rates. In the past year, you've consistently favored larger donors and their wishes. This is bad for business and bad for the country.
